Smart Food Solutions

www.italianfoodmasters.com

Italian
Food Masters

We supply cost effective Smart Food Solutions combined with exceptional service. All this makes of Italian Food Masters a top-class foodservice wholesaler and distributor.

We are based in Dubai and service Hotels, Restaurants, Catering companies, Specialty stores, Gourmet food retailers, bakeries, Airline companies & cafes throughout the United Arab Emirates, Saudi Arabia and Oman.

We focus on sourcing food and equipment that add value to F&B operators and help them minimize costs, streamline operations and enhance their clients' dining experience.

We deal in a wide range of frozen, ambient and dry products, sourced from leading international manufacturers, stored in our own warehouses and distributed with our own fleet thus being in total control of the supply chain.

We take food very seriously, professionally and competently and this enables us to build strong business relationships with our clients and our suppliers, based on mutual trust and respect.

We aren't simply a distributor – for both our Clients and Suppliers we are a true partner, HACCP certified and very knowledgeable of all food and food processing aspects.

We are constantly striving to identify new market trends, products and equipment in the International

food market, in order to be the first to introduce them to the UAE FOOD SERVICE sector.
